**Product Catalogue**

## World class innovation...

Bostik is one of the world's leading providers of adhesive and sealant solutions. Our relentless pursuit of excellence lies at the heart of everything we do and ensures that the products we produce are of the highest specification. We've built our reputation on providing first class support to all of our customers and it is these combined commitments to innovation and service that continue to drive our business forward.

## ...through R&D

More than 400 chemists and technicians working in 10 regional centres of applied technology and technical services ensure the development of new products in line with market requirements.

## ...with brands you can trust

Bostik brands and products are household names and trusted by millions of DIY and professional users around the world. Our brands are instantly recognizable, and are relied upon every day to consistently deliver superior performance and high quality results.

- Adhesives and sealants for consumer, professional and industrial applications.
- High quality adhesives and sealants for DIY and trade use.
- High performance epoxy repair and assembly adhesives for DIY and professional use.
- The number one supplier of cement additives and flooring screeds to the building industry.

## ...ensuring our commitment to excellence

All our sites are quality approved to **ISO 9001:2000** standard, which we use as a benchmark for ongoing improvement in all areas. Our commitment to excellence also extends to ensuring that we play our part in helping minimise environmental impact. We are fully certified to **ISO 14001** and are a prominent supporter of environmental initiatives at our UK sites. As a company we throw our weight behind a variety of local community projects, the prevention of pollution and maintaining the highest practicable standards in Environmental Control.

## Trowel Mastic

- Oil based, ready to use for general pointing where limited movement occurs
- Excellent adhesion to timber, brick and stone
- Suitable for wide and uneven joints
- Available in red or stone

## Plumber's Mait

- Non-cracking, non-setting putty for sanitary joints
- Watertight
- Overpaintable

# Foam Fillers

## Expanding Filler

- Expanding polyurethane foam filler that fills, seals and insulates
- 360° any angle application
- Can be cut, sanded, plastered and painted
- Adheres to most building materials

825ml

## Fire Cement

- For repairs to fire backs, internal flue pipes, solid fuel heaters and boilers
- Dries cement-like when exposed to heat
- Asbestos-free formulation that produces smoke-tight joints, resistant to temperatures up to 1250°C
- Buff, smooth, ready to use paste

\*For further details, please refer to Matrix page 76

# Weatherproofing

## Flashband Original with Primer - length 3.75m\*

- Grey finish self-adhesive flashing strip - ideal for emergencies
- Instant waterproof seal
- Includes primer for ease of application

## Flashband Original Finish - length 10m\*

- Grey finish self-adhesive flashing strip
- Instant waterproof seal
- Quick and easy to use

## Cementone Penetration Primer For Roofs\*

- General purpose highly penetrative thin bituminous primer
- Use for priming concrete roofs, cementitious screeds, renders, bitumen felt and mastic asphalt

\*For further details, please refer to Matrix page 77

# Weatherproofing

## Cementone Fast-Cure Primer For Roofs

- General purpose primer
- Use for priming fibre cement, concrete, slate, steel, asphalt and corrugated iron surfaces
- Coverage 90 - 135m<sup>2</sup>

## Cementone Flexible Damp-Proofing & Waterproofing\*

- Solvent free, making it odourless and taint free, ideal for applying indoors
- No need for a separate primer
- Can be applied to damp surfaces
- Cold-applied
- High rubber content making it flexible
- Exceptional waterproofing

\*For further details, please refer to Matrix page 77

# Weatherproofing

## Flexacryl Instant Waterproof Compound\*

- A high performance, instant roof repair compound, ideal for emergency repairs or general maintenance
- Only requires one coat
- No primer required in most circumstances
- Can be applied in damp conditions
- Flexible
- Immediate waterproofing
- Ideal for areas subject to ponding
- Long lasting
- Exceptional weather resistance
- Solar reflective (in white)
- Labour and time saving
