## General Descriptions

**Marketing Brand:** Scott®

**Product Title:** Scott® Control™ Interfold White Hand Towels 6689

**General Description:** Elevate your washroom experience with trusted and familiar Scott® Control™ washroom solutions, designed to support compliance control and help you stop the spread of germs in the workplace. For busy washrooms demanding consistent hand hygiene and efficiency, choose Scott® Control™ interfold hand towels. Scott® Control™ hand towels are softer, more absorbent and stronger than conventional towels, providing consistent quality at an affordable price. Unique Airflex™ technology ensures that each lightweight single-ply paper towel is absorbent and strong, even when wet, preventing them from becoming soggy or ripping. These small disposable hand towels are designed to be kind to the skin for frequent hand drying, actively encouraging hand hygiene compliance. Scott® Control™ interfold hand towels are designed to dispense one paper hand towel at a time. This single sheet dispensing method is designed to improve hand hygiene by minimising the risk of contamination when hand drying as the user only touches the sheet they're using. Dispensing one paper towel at a time is also designed to reduce waste and refill frequency as the user only takes the hand towels they need, providing exceptional cost in use. Scott® Control™ hand towels carry the European Ecolabel; your guarantee that they are manufactured responsibly at every step of the process. The compressed packs also ensure up to 18% more paper towels per case. Scott® Control™ interfold hand towels are compatible with a variety of Kimberly-Clark™ paper towel dispenser options: Aquarius™ folded hand towel dispensers in white (product codes 6945 and 6956) or black (code 7171), a high capacity dispenser (code 9962) and a high image stainless steel dispenser (code 8971). Each 1 ply paper towel measures 21cm (L) x 20cm (W). 15 Packs x 304 White Paper Hand Towels (4,560 Total)

- Feature:**
1. Each pack of Scott® Control™ interfold hand towels contains 304 small, 1 ply, white hand towels
  2. Made using unique Airflex™ Technology, every paper towel is soft, strong and highly absorbent even when wet, providing an ideal hand drying solution for busy offices and hotel washrooms
  3. The clever, interfolded design dispenses one paper hand towel at a time, improving workplace hygiene, reducing wastage and refill frequency and providing exceptional cost in use
  4. Compressed packs ensure up to 18% more hand towels per case and these disposable paper towels are also European Ecolabel certified for hand hygiene with environmental assurance
  5. Compatible with a variety of Kimberly-Clark Professional™ and Aquarius™ folded hand towel dispensers

**Size Characteristic:** Small
