FLUX MEDIA UNIT ASSEMBLY

1

Step 1

Unpack your new media unit and frame and please recycle all packaging.

2

Step 2

Ensure the frame is vertical prior to placing the media unit into position.

Lift and insert the media unit into the opening of the frame (2x person(s) required) making sure it is flush with the frame front and back.

3

Step 3

Fix the media unit into location using the screw-in pins turning clockwise.
