This compact handheld labeller is ideal for using around the home or office and with a wide variety of tape cassettes in various widths and colours, you will find the P-touch H110 indispensable.

Tze Tapes – Brother P-touch laminated tapes can withstand heavy abrasion, extreme temperature, chemicals and sunlight, meaning once you label something, it stays that way.

Clearly identify items with a durable P-touch label

Around the home, office, school, shop and other places of work, there are many uses for long lasting, durable P-touch labels.

Common examples include:

Office equipment and stationery - staff name badges, signage, mail room organisation, notice boards, telephone extension numbers.

Electrical items - cables, plugs, switches, sockets, chargers, IT and audio visual equipment.

Filing - disks, USB/hard drives, filing cabinets, folders, shelving, archives.
