

2000 BANKNOTE COUNTER

RAPID ON-THE-GO COUNTING

Simply insert a stack of sorted banknotes, press start, and watch the Safescan 2000 whip through them—counting up to 600 bills per minute. Need to count multiple stacks? No problem. Just press the convenient “add” button and the 2000 will automatically track the total count across individual runs. Lightweight and compact, the ergonomic Safescan 2000 is the perfect companion wherever you need fast, portable bill counting, such as at markets, events or kiosks. What’s more, the 2000 can run on either batteries or AC power, so you can use it anywhere, anytime. Just toss it in your bag and go; the included sturdy storage pouch keeps it safe while you’re on the road.
