

TL2600

Automatic self-setting Electric wire closer

The TL2600 is a fully automatic electric wire closer with SMART detect system.

The unique SMART detect system allows the TL2600 to **automatically detect and close all 3:1 or 2:1 wires** with a simple push of a button.

Features and benefits

- SMART Detect System
- LCD control panel
- Micro Adjust option
- High Efficiency mode
- Safety sensor
- Magnetic back plate
- Handles 3:1 and 2:1 pitch wires
- Built in Wire holder
- **Fully CE compliant**

Smart Detect System
Automatically detects and closes different sized wires with a simple press of a button.

Built-In Safety Sensor
The safety sensor is built into the closing system for safe and trouble-free closing without risk of injury.

LCD Control Panel
The LCD display and Micro-Adjust keypad guarantees a perfect closure with all wire types and brands.

3:1 or 2:1 Pitch
Compatible with all 3:1 and 2:1 wires, up to 1-1/2".

Product number 4401998
