

BlueParrott B450-XT

ADVANCED NOISE-CANCELLING HEADSET WITH UPGRADED COMFORT AND SECURE FIT

Our best-selling BlueParrott® B450-XT has industry-leading 96% noise cancellation, up to 24 hours of talk time, a customizable BlueParrott Button™, and VoiceControl™. It also features newly upgraded IP54-rated durability, improved padding for all day comfort, USB-C charging, and firmware updates on the go¹.

Benefits

- **Industry-leading noise cancellation.** Blocks out 96% of background noise². Hear and be heard clearly wherever you are – regardless of the noise around you.
- **Up to 24 hours of talk time.** Keep talking with long-lasting battery life. Connect to 2 mobile devices at the same time.
- **Works with Microsoft Teams Walkie Talkie.** Receive voice messages hands-free while you work. To send a voice message, just hold the headset's BlueParrott Button™ and talk.
- **Customizable BlueParrott Button.** Enable fast access to your favorite features including mute, speed dial, Push-to-Talk (PTT) and more.
- **Tough, IP54-rated design.** Protection against dust and moisture.
- **USB-C charging.** One charger for all your devices makes life a whole lot more convenient.
- **Padded headband and large, cushioned earcup.** Secure fit and premium materials to keep you comfortable all day.
- **VoiceControl.** Answer or reject calls with just your voice, keeping your hands free.
- **Up to 300 feet/100 meters wireless range³.** No need to keep your phone in your pocket.
- **Get the most from your headset.** Select features and update firmware¹ via the BlueParrott App². No need to plug your headset into a computer.
- **Works with most Bluetooth®-enabled devices.** Integrates with a range of devices, from smartphones to hand-held terminals. Use our SDK to enable custom experiences.

¹ Android only

² Verified by independent labs

³ Device and network dependent
