## Key benefits & features

### Microsoft Teams certified and optimized for UC

Get a seamless user experience from variants optimized for UC and certified for Microsoft Teams with a dedicated Teams button

### Call quality meets stylish design

Guarantee business grade communication with a discreet boom arm, which folds away simply for a stylish look when out and about

### Concentrate wherever you work

Thanks to ANC, comfortable ear pads and stereo sound, you can focus without disruption whatever your workspace

### Plug and play device connectivity

With the 3.5 mm jack USB-A or USB-C connectors, versatile workers on the move and in the office get simple, reliable functionality

### Enjoy enhanced comfort

Newly designed, large on-ear leatherette or foam ear pads provide great comfort and noise damping

## Product data

### General

|                |   |
|----------------|---|
| Wearing style  | On-ear, single or double-sided headband.<br>See product table overview.   |
| Color          | Black   |
| Headset weight | Single-sided, foam earpad 99.5 g / 3.5 oz<br>Single-sided, leatherette earpads 106.6 g / 3.76 oz<br>Double-sided, foam earpads 135.8 g / 4.79 oz<br>Double-sided, leatherette earpads 145.3 g / 5.12 oz |
| Warranty       | 2 years   |

### Audio

|                            |  |
|----------------------------|--|
| EPOS Voice™ technology     | For a clear and natural listening experience                                 |
| Microphone                 | Noise-cancelling microphone for optimal speech transmission                  |
| Microphone frequency range | 100–8,000 Hz   |
| Speaker type               | Dynamic, neodymium magnet speaker  |
| Speaker frequency response | 20–20,000 Hz   |
| Sound pressure             | Max. 115 dB - Limited by EPOS ActiveGard®                                    |
| Sound enhancement profiles | Automatically adapt and optimize sound for both communication and multimedia |

### Call management

|                      |  |
|----------------------|--|
| In-line call control | Answer/end/redialcall, volume up/down and mute |
|----------------------|--|

### Hearing protection

|                             |  |
|-----------------------------|--|
| EPOS ActiveGard® technology | Protects users against acoustic injury caused by sudden sound burst on the line      |
| EU Noise at Work limiter*   | Enhanced audio protection preventing listening fatigue, average 85 dB over a workday |

# ADAPT 100 Series

## Additional benefits & features

### Easy to store and portable

Thanks to an innovative fold-flat ear cup design and carry pouch

### Convenient noise limiter switch

Via EPOS Connect limiting noise according to European and Australian standards

### One touch access to meetings

Via dedicated Microsoft Teams button (Teams variants only)

### Optimize speech clarity

With noise-cancelling microphone to filter out ambient noise

### Enjoy a natural listening experience

With EPOS Voice™ technology

### Personalize for a perfect fit

With an adjustable, flexible headband

### Protect from acoustic shock

With EPOS ActiveGard® technology
