SPECIFICATION SHEET

THREE CURTAIN PRIVACY SCREEN

This 3 Panel Medical Privacy Screen comprises of a sturdy frame made from a powder coated tubular steel, and a wipe down panel curtain, making it a hygienic option for use in hospitals and care homes.

The frame stands on 3 legs, each with 2 smooth running non-marking castors, making the frame incredibly sturdy. When not in use the screen can be folded away, with the interlocking legs providing further stability when standing freely.

Our medical privacy screen has been designed to be a cost effective option that is quick and easy to assemble.
