

P-WAVE®

P-CURVE

The “Almost Anywhere” 30 day air freshener

We know how difficult it is to create the right impression for your customers. All too often their experience of your business is spoilt by bad smelling washrooms. You can change that today with ease! Instead of that unpleasant drain smell, imagine your washroom smelling lovely with your customers being greeted by a choice of natural smelling fragrances. Your customers get a great experience whilst you get great customer satisfaction and loyalty! P-Wave Curve is the anywhere air freshener giving 50 times the fragrance and lasts for 30 days.

- Highly fragranced
- 50x times more fragrance than normal rim sticks
- Can be placed just about anywhere
- Low VOC (Europe compliant)
- ‘Clock system’ to show when to change
- 100% recyclable
- Easy to install
