Compact speaker set with stylish design

Are you looking for a speaker set that combines great sound with awesome design? With the Arys 2.0 RGB Speaker Set, you can enjoy RGB lightning effects while playing music, games and movies. It will brighten your day, any day of the week!

Versatile sounds

With a peak power of 12W, you can comfortably listen to your favourite music and the sounds of the latest games and movies coming from your PC or laptop.

Easy to use

The speakers can be placed anywhere, thanks to the compact design with stylish metal grill, these are a perfect addition to any desk. Once plugged in, the speaker will light up with an automated RGB colour cycle. With the volume button located on the front of the speaker, you can adjust the volume at any time.

Plug & Play

The Trust Arys speaker is USB powered which means that you can install the speakers very easily. Simply connect the USB cable to your computer and plug in the 3.5mm jack plug and the speaker will channel all your sounds.
