The Exacompta aluminum wall frame allows you to display information and can be used both horizontally and vertically.

The frame is opened from the front by lifting its wide beveled aluminum edges for easy poster changing.

The anti-reflective screen allows the sign to be viewed perfectly from any angle, without being obscured.

It is easily fixed to the wall using the screws provided.

You can easily create your personalised signs in the right size with KREAMAN on [www.exacompta.com](http://www.exacompta.com)
