

# BOARDROOM

Boardroom tables provide modern executives with the distinctive impression of quality, precision & strength that makes a bold, visual statement in any boardroom. Table tops are designed to incorporate power and data capabilities, embracing the latest technology so you can break away from the predictable, old fashioned conference rooms and create new dimensions in boardroom design.

# STRAIGHT LEG

Straight folding leg tables combine simplistic good looks with versatility and are ideal for use in meeting rooms, conference suites and exhibitions. A click button mechanism on the underside of the table means the folding frame, available in different finish options, can be folded neatly within the footprint of the table top, offering easy manoeuvrability and convenient storage.

# CURVED LEG

Curved folding leg tables combine stylish good looks with versatility and are ideal for use in meeting rooms, conference suites and exhibitions. When folded, the tables stack together neatly for easy storage. The frame design also offers sufficient leg room for users when sat around the tables, and can be used stand-alone or together with the rectangular and semi-circular tables to create your layout.

# MONZA

Classic, contemporary and refined are the words most often used to describe the Monza range. Tables are available in coffee and poseur table formats as well as standard height meeting or dining tables. With its slim profile base and tubular column, Monza has a timeless design that never goes out of style, and the choice of circular, square or rectangular tops allows for customisation of design and function.
