SAFETY INFORMATION

Identify all the parts and hardware.

Do not discard of the packaging until you have checked that you have all of the parts and hardware required. Hardware package may have spare parts.

WARNING: This item contains small parts which can be swallowed by children and pets. Keep children and pets away during assembly. To avoid danger of suffocation, always keep plastic bags away from children and pets.
We recommend that you assemble this unit on a carpeted floor to avoid scratches. We do not recommend the use of power tools for assembly as this could damage the unit. Only use manual tools.

Requires 2 people for ease of assembly.

CARE and MAINTENANCE

Wipe regularly with clean water and a damp, clean, soft white cloth

General cleaning can be done as needed with a mild detergent and water solution. Always rinse with clean water and dry.

For heavy soiling, dampen a soft white cloth or soft bristle brush. Use care as scrubbing can damage the surface.

More difficult stains can be treated, but this should be occasional, not daily, cleaning.

ANY cleaning solution used must be removed with clean water and a clean white cloth. Cleaning residue left on the material can cause it to dry out and crack, or affect the color.

DO NOT use any cleaners with corrosive ingredients (lye, acids or ammonia).
