

Optima 40 Compact Stapler

2103357

Product Description

The Rexel Optima 40 Compact is a high performance 40 sheet stapler and a new addition to the Rexel Optima family. It offers jam-free, space-efficient flat clinch and accurate stapling when used with Rexel Optima 56 staples. The Optima 40 Compact has low force technology meaning it can deliver more power for up to 50% less effort. It has soft-feel grips and its compact size is great for hand held use!

Features

- High performance 40 sheet capacity stapler
