Capacity to connect

Canvio Connect II

The Canvio Connect II is a smart storage solution that will soon become your favourite data companion. Not only do you get up to 3 TB of portable storage, backing up your files also is a breeze, thanks to the pre-installed NTI® Backup Now EZ™ software. A NTFS driver for Mac is also included. And all this is packed into a solid, stylish enclosure available in five colours that fit in the palm of your hand.

More Terabytes, more colours

The go-anywhere Canvio Connect II puts up to 3 TB of external storage into the palm of your hand. The sleek, sturdy chassis comes in a variety of colours to match your style. It will soon become your favourite data companion.

Auto backup software

The pre-loaded NTI® Backup Now EZ™ software provides reliable backup and recovery.

Safeguard your data

Since life on the road can be rough and tumble, the Canvio Connect II has taken extra precautions to safeguard your data from shock. It includes an internal shock sensor and ramp loading technology to help keep your drive safe on the go.

Top features:

- SuperSpeed USB 3.0
- Auto-backup software onboard
