Canvio Premium for Mac

The ideal match for your Mac

The Canvio Premium for Mac matches your Mac with a high quality diamond-cut aluminium design and impressive functionality that makes it easier than ever to store and access up to 3 TB of data.

There's no need to reformat. It's ready to use right out of the box, with full Apple® Time Machine® compatibility and its own password tool for extra security. USB 2.0 and 3.0 is supported and a small, neat Type-A to Type-C USB adapter is included, so you can connect to all of your Mac devices and many more besides.

The Canvio Premium for Mac makes it easy to access your files in more places, thanks to its pocket-size portability.

USB Type-C / USB Type-A
USB 2 and 3 is supported and a small, neat Type-A to Type-C USB adapter is included, giving you the flexibility to connect to more devices.

The ideal Mac companion
No need to reformat, Canvio Premium for Mac drives are ready to use right away, with full Apple® Time Machine® compatibility.

Extra security
Protect your private data from unauthorised users using the supplied Canvio password tool for Mac.
