

TM-828 SC TIME CLOCK SYSTEM

WITH MIFARE AND RFID BADGE, FINGERPRINT OR PIN

TimeMoto's intelligent TM-828 SC terminal combines the latest MIFARE and RFID proximity reader and Fingerprint technology with PC software for single PC use or TimeMoto Cloud. Choose TimeMoto Cloud for instant synchronization from any location at any time. Easy clocking in and out for employees. Powerful tools at your fingertips to efficiently manage your workforce.

The TM-828 SC time clock system is designed to accommodate the time attendance and workforce management requirements for companies with up to 2.000 employees. With its 3.5" TFT display, 1.2 GHz dual core processor, built-in MIFARE and RFID and new 500 dpi fingerprint sensor, it ensures instant authentication for up to 2.000 fingerprint templates. Its memory capacity stores up to 100.000 logs. The integrated push technology then sends their clocking data directly to the TimeMoto Cloud.

POWERED BY THE CLOUD

TimeMoto Cloud enables you to handle all your timesheets, scheduling and reporting from any location, whenever you need it. Our TimeMoto system includes a TimeMoto Cloud Plus 30-day trial. Giving you the opportunity and time to discover TimeMoto Cloud's many advantages before choosing a subscription.
