The Spirit of Innovation

COLOP -
we take responsibility

COLOP Green Line - the range of CO₂ neutral self-inking stamps - from text to date stamps. The already significantly reduced but unavoidable CO₂ emissions are compensated by means of investment into climate protection projects (GOLD STANDARD Projects), based on the system boundary "cradle to gate".

Evaluated according to ISO 14044, verified by C7 Consult an independent institute and based on the system boundary "cradle to gate"

The Green Line range was audited during the ISO 14001 accreditation process

The Austrian Eco-Label is awarded by the Republic of Austria as represented by the Federal Ministry of Environment

The Classic Green Line handles are FSC® certified (Forest Stewardship Council®)
