

Hand Hygiene & Washroom Essentials

For a healthier, hygienic workplace

Advancing Hygiene

Focusing on your business needs, we deliver leading edge health and hygiene solutions for people in their workplace or whilst they are away from home. For over 135 years our commitment to innovation and a set of simple values – quality, service and fair dealing – has helped to establish us as a leading edge, global company.

Trusted brands

Choose the brands you already know and trust to create the complete washroom solution.

Our KLEENEX® Brand promises to constantly innovate to consistently deliver superior product performance and premium quality. Reflecting the commitment to care for your well-being – even over the best-performing competitive products.

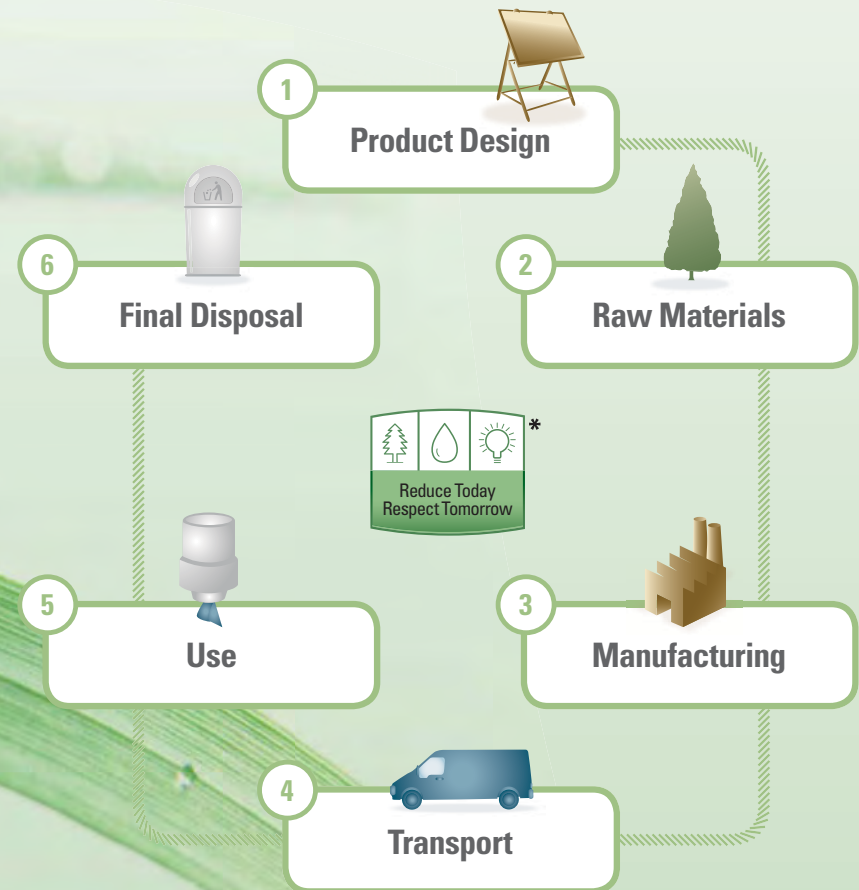

Our SCOTT® Brand promises design that consistently delivers superior value by offering the optimum balance of product quality and affordability.

KIMBERLY-CLARK PROFESSIONAL* is the supplier of choice when it comes to hand hygiene solutions. We understand that poor hand hygiene can cause the spread of germs and cross contamination throughout a workplace. It is our aim to provide innovative solutions in skincare and hand towels to protect your employees' health and wellbeing.

REDUCE TODAY, RESPECT TOMORROW*

We're working to safeguard our world for future generations. With the goal of using less and leaving less, our innovative washroom systems offer greater efficiency, recycled content and reduced packaging.

Our sustainability strategy focuses on the environmental, social and economic aspects of sustainability, with clear objectives in each area. With respect to the environment, we strive to reduce environmental impact at every stage of a product's lifecycle, as shown below. From a social and economic perspective, we strive to improve quality of life in the communities in which we operate through various programs. Throughout this brochure, you will see examples of what we're doing in each area.

Hand Hygiene – Hand Towels

If hygiene is important to you, paper hand towels are the right, hygienic choice. A study carried out by the University of Westminster (Feb 2009) shows that paper hand towels reduce bacteria on the hands by 77%, compared to warm air dryers that increase bacteria by 254% and jet air dryers by 42%¹.

AIRFLEX* Fabric

Our powerful UCTAD technology behind AIRFLEX* Fabric delivers highly absorbent hand towels across our KLEENEX® and SCOTT® Ranges.

- Superior absorbency and strength, meaning fewer towels are needed
- Soft, textile-like feel and appearance
- Do not break up when wet
- Outstanding drying performance

Our patented technology results in superior absorbency and strength

Simpler brand choice

Choose the preferred towel, format and dispensing system to meet your needs.

KLEENEX® Hand Towels provide the quality and care you'd expect from a recognised brand.

- **More choice of luxury**
Choose from KLEENEX® Premier, Ultra Super Soft and Ultra Hand Towels to suit your users needs
- **Drying hands faster**
KLEENEX® Premier and Ultra Super Soft Towels are 3-ply providing superior drying and softness
- **Portable, innovative solutions**
KLEENEX® Ultra Soft Pop-up Box Hand Towel has a contemporary splash resistant box and prevents messy stacks of hand towels on counter tops

SCOTT® Hand Towels are reliable and cost effective.

- **SCOTT® Performance Hand Towel**
Made with AIRFLEX* Fabric and dispensed individually, improving washroom hygiene standards
- **SCOTT® Xtra Hand Towel**
Optimises every aspect of the manufacturing cycle to provide our best cost in use hand towels
- **SCOTT® Compressed Rolled Hand Towel**
Compressed technology allows us to wind more towels onto a roll

Compressed Hand Towels

Our AIRFLEX* Fabric consumes 17% less fibre at source than standard fabric and creates more absorbent towels so you use less and waste less.

Folded Hand Towels

Your best choice where comfort and hygiene are important.

Choose the right folded towel to meet your needs:

- **Interfolded – for hygienic single sheet dispensing**

Our most popular folded hand towel format – individual towels are presented open and ready for use, touched only by the user

- **Slimfold six panel towel**

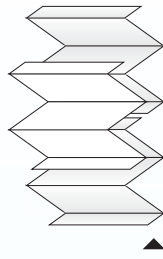

The innovative 'six panel' towel design allows a regular size towel to be presented from our compact Slimfold Dispenser

- **Traditional formats**

Hand Towels are available in C Fold and S Fold offering competitive cost per sheet, suitable for high traffic washrooms

- **Flushable – to reduce risk of blockages**

SCOTT® Performance Flushable Folded Hand Towel, ideal for areas with drainage issues

Interfolded Hand Towel

Rolled Hand Towels

Created for busy, high traffic washrooms. Simply select your preferred cost-effective dispensing system.

- **High capacity system**

With rolls up to 304m in length, this high capacity system helps to reduce the need for refilling

- **High hygiene system**

Hygienic, easy to clean dispensers

- **Maximum product on a roll**

SCOTT® Rolled Hand Towels are compressed, reducing storage space required and packaging waste

- **Dispensing systems to fit your needs:**

- **No Touch Dispenser**
Presenting a fresh, individual towel ready for use, touched only by the user
- **Electronic Dispenser**
Hand Towel is released automatically with no need to touch the dispenser
- **Slimroll Dispenser**
Our compact dispenser, still with great capacity

Reduced Fibre Consumption

We use a mix of virgin and recycled fibres that results in improved performance, helping to reduce the number of towels used per task and reducing waste by up to 28%.

REDUCE TODAY, RESPECT TOMORROW* is the KIMBERLY-CLARK PROFESSIONAL* approach to sustainability. It begins with the understanding that the way we use resources today shapes the world of tomorrow. And it has led us to focus on reducing consumption at every stage of the product lifecycle – from design and manufacture to distribution and disposal. Reduction is the key to lowering the environmental impact of our activities as well as those of customers.
